Kennedy Elementary School, St. Joseph, MN

NATIVE SKYWATCHERS - EARTH SKY CONNECTIONS

Community art programming that weaves together art, science and culture in a way that inspires learners to create art that tells the story of their connection to earth and sky.

NATIVE SKYWATCHERS - EARTH SKY CONNECTIONS

Twelve workshops-classes. Led by four native/mixed-race native artists. Eight community partners. Duluth Art Institute, Stearns History Museum, Mille Lacs Indian Museum, Fond du Lac Ojibwe School, Fond du Lac Tribe, Kennedy Elementary School, Onamia School, and Great River Regional Library.

Miigwech, Pidamaya, Thank You.
